AMENDMENTS TO THE CLAIMS

This Listing of Claims will replace all prior versions, listing, of claims in the specification.

LISTING OF CLAIMS:

Claims 1-4 (canceled).

Claim 5 (original) A method for setting key codes, used for a keyboard having at least an extension key, the method comprising: executing an application program of a computer; choosing the extension key; inputting a setting string; and storing the setting string into the keyboard and set the setting string to be a key code of the extension key.

Claim 6 (original) The method as claimed in claim 5, wherein the keyboard has a memory for storing the setting string.

Claim 7 (original) The method as claimed in claim 5, wherein the step of choosing the extension key is reached by inputting a code name of the extension key or directly pressing the extension key.

Claim 8 (original) The method as claimed in claim 5, wherein the setting string is a scan code of the extension key.

Claim 9 (original) The method as claimed in claim 8, wherein the scan code comprises a make code and a break code for indicating pressing and releasing of the extension key.

Claim 10 (withdrawn) A method for setting key codes, which is used for a keyboard having at least an extension key, the method comprising: pressing a setting key of the keyboard; choosing the extension key; inputting a setting string; and storing the setting string into the keyboard and set the setting string to be a key code of the extension key.

Claim 11 (withdrawn) The method as claimed in claim 10, wherein the keyboard has a memory for storing the setting string.

Claim 12 (withdrawn) The method as claimed in claim 10, wherein the step of choosing the extension key refers to pressing the extension key.

Claim 13 (withdrawn) The method as claimed in claim 10, wherein the setting string is a scan code of the extension key.

Claim 14 (withdrawn) The method as claimed in claim 13, wherein the scan code comprises a make code and a break code for indicating pressing and releasing of the extension key.

Claim 15 (withdrawn) The method as claimed in claim 10 further comprising: pressing the setting key to finish inputting the setting string.
